

May 7 Council Highlights

Council was introduced to our new Director of Music and what a wonderful bundle of gifts she will bring to our congregation.

We also had the pleasure of hearing from Reverend Sarah Moening, Assistant to the Bishop of the Rocky Mountain Synod of the ELCA. Her presentation was “A Path to Discern God’s Emerging Future.” Rev. Moening is scheduled to be back at UCSJ in September to introduce a program on Emotional Intelligence.

Chuck Anderson, Financial Chair and Nicole Lovesky, Administrative Assistant, have set up a way for the congregation to make their contributions through Tithe.ly. [Click here to donate today.](#)

A discussion on how we can worship in church again did not produce any specific results. We know the worship committee is working on this. We will be doing a survey about coming back to church, and really need everyone’s input on this. Please complete the survey [here](#), if you have not already done so. We also had a long discussion on how to conduct our annual meeting. Details coming soon.

We had a look at the budget for 2020-2021. Council will vote on this next month.

Stay safe wherever you are and hope to see you soon.
