

June 11 Council Highlights

Council approved the 2020-2021 budget. Discussion on the budget took a lot of time and careful consideration of all our budget obligations. COVID-19 created a lot of anxiety over our revenue.

Council passed a motion to open the church. We had a very lengthy discussion over when we could start to worship in our sanctuary. First worship for our congregation will be June 21. We approved in-person protocols, for all attending church. Attendance will be by online reservation. Documentation on opening worship was sent to all members and friends.

Details for the congregational meeting to be held Sunday, June 28 were finalized. Ballot and Ministry reports should be in everyone's hands by June 16.

This was the last council meeting for six members of the current council. Thanks to all for a good job. Stay safe wherever you are and hope to see you soon.

Tom Chase, Council Chair
