### **Welcome to Worship in the Park! Here are our Covid-19 Protocols for Outdoor Worship**

Thank you for helping us keep one another safe and for doing your part to help prevent the spread of Covid-19. Our ushers, greeters and other volunteers will help you maintain appropriate physical distancing and will provide masks if you need them. We ask that you follow their instructions and follow the following protocols before, during and after worship. Thank you for doing your part!

- **If you are exhibiting any symptoms or are not feeling well, please stay at home.** We also ask that you stay home if you have been exposed to anyone who has tested positive for Covid-19 or if you have been in an area where there is a high infection rate. The typical self-quarantine period is two weeks to help protect others from the spread of the virus.

- **Masks – All attending in-person services must wear a facial covering** (except for those under two or those who have breathing problems). A mask will be provided for anyone who needs one. Masks should remain on during the service and when entering and exiting the worship space.
- **Physical Distancing – All attendees should maintain a minimum of six feet of distance between family groups.** This includes entering and exiting the worship space as well as seating during worship.
- **Offering – there will be three offering collection stations to receive your gifts.** Your financial support is essential, especially now. Many thanks for your continued contributions that sustain our ministries.
- **Communion –** Communion outdoors will be served in pre-packaged servings, distributed by gloved and masked communion servers. All are welcome to partake in this meal, which is the Lord's Supper.
- **Food and Drink –**You may bring your own water and/or coffee to consume outdoors. We just ask that you not share with others: even though that feels counter to our faith, it will keep us safer during this pandemic season. Be sure you are 8-10 feet from others before dropping your mask to drink.
- **Inclement Weather Plans –** The worship team will communicate these as necessary through Newslink and via the UCSJ website.
- **Livestreaming -** For those who prefer, we will be live-streaming the services so that you can participate safely from home by simply clicking on a link on our website.
