

Council Report

We ask for your prayers for Pastor Pam and Ken, our church staff, ministry leaders, and the UCSJ congregation during this pastoral transition. Pastor Pam's last Sunday will be January 3, 2021. Our church council is meeting frequently during this transition to discuss, prepare, and plan.

The Americorps team has arrived and is residing in our next-door trailer home. They'll be working on the Ridgway Habitat-for-Humanity project.

We learned several weeks ago that **Nicole Lovesky** has resigned as our administrative assistant and will be returning to her home in New Hampshire. We so appreciate her hard work, creativity, and technological advances for us during these unusual times. You may still submit your items for the weekly UCSJ Newslink to ucsjoffice@gmail.com, and the deadline remains Wednesday at noon each week.
